Mt. Vernon Country Club

THE PRESIDENT'S CORNER

Even though we had our speaker cancel due to a health issue we did manage to have a great meeting once again. A MINI-Club Assembly does help get the information out and let members bring up subjects and issues and have time to talk til they want to stopno names mentioned.....

I am writing this on Monday morning from my office and know that the barrel will be retrieved at 10 AM. I couldn't be there but to those of you who had notice in time to attend please bring stories this Wednesday and pass them around. This is a club fund raising activity and it will be fun to enjoy the activities thru your stories.

Once again, please consider attending Vail at the end of the month. You will not regret giving up a weekend to attend it. Hopefully our club will receive several well deserved awards.
