THE PRESIDENT'S CORNER

It was amazingly quiet during Ben's presentation about the Bataan Death March last night. I am sure most of us were affected by the stories of the cruel, inhumane and unbelievable treatment that those men endured. For those who survived it was a miracle. I for one did not know that this type of treatment existed in any war.

On a much lighter note, it was wonderful to hear the facts about the barrel in the water! Jerry has set up coverage with the Courier for the presentation of the check and it will be a great meeting. A well deserved thank you to Jerry for the setting of the barrel, the repair of the cradle (x2) and the retrieval party on Monday morning.

Please consider staying for dinner after meetings once in a while. It helps our costs and it is a great time for fellowship.

See you Wednesday

Judi
