THE PRESIDENT'S CORNER

Bruno has certainly been a wonderful exchange student for us to host, especially as our first one! The graduation party at the Brewicks' on the 23rd will be a start to the farewell to Bruno. After he graduates, he is off with his parents and sister to Florida to Disney World, then on to his road trip out west and then back to Evergreen for a few weeks before he goes home to Brazil. He has promised that he will give us a presentation on his road trip and his stay here in Colorado.

The board has decided that his road trip is his graduation gift from our club however if anyone would like to bring something to the party as a special reminder of our club please do so. Please make every effort to attend his party as I know it will be special for Bruno. You might want to get his address in Brazil if you want to travel!

See you Wednesday

Judi

PROGRAM

Carolyn Frickie, Collier Hospice, -"What do you say when you don't know what to say."

Most of the patients the hospice helps are between 40 – 60 and have a difficult time accepting their fate. Try to understand their disease.

- “Tell me what you’ve been told.”
- “Help me to understand what you know.”
- “Would you like to tell me more about it?”
- “Let me see if I have this right.”
- “What would you do if you were me?”
- “I’m so very sorry.”

Be a good listener and think before you talk, especially with the caregiver, they need your support and understanding during this difficult time. The caregivers need as much empathy and help as the patient.
