It was very impressive to see the great turn out for Bruno. He is a unique young man that we were fortunate to sponsor for the past year.

## **PROGRAM**

Bruno Vidotto

Bruno's western trip with other Rotary exchange students started with the first stop in "South Park", Colorado, to Grand Canyon, Rt. 66, Las Vegas to Hollywood, San Francisco, back through Great Salt Lake (swimming / floating in boxers) and rafting in Steamboat Springs!! The highlights...San Francisco was his favorite city, the many sights he saw and winning the Limbo Contest at the last nights party!

He expressed his appreciation for all we did for him this year..... expressed it many times in several ways. We can be proud of Bruno, he finished his classes with a perfect 4.0!!! He liked American History....his one comment was that he learned that America was justified to drop the Atom Bomb, he had always wondered why someone would do something like that, but hearing of the hundreds of thousands if not a million casualties estimated if we hadn't....English Literature, especially Shakespeare was a favorite also.....

Finally Bruno said that most foreigners have preconceptions of Americans as not being nice people....he greatly disagrees with that now!!!

Bruno will spend the next 6 months to get ready to take entrance exams!!!

I will have his contact information for you soon.
