Great meeting on Wednesday!! Thanks to all of you who brought guests and particular to Jim Rohrer, for providing the spirit.

Dave Brewick, superb presentation! Given in a manner that I could understand--and I understood enough to scare me.

Start planning on Christmas Party 12/3 at Mt Vernon. Anyone got portable CD player so we can have music?

PROGRAM

Dave Brewick

“Perfect Storm of Economic Conditions”

What great information.....both historic and current..... Dave enlightened us with this evening. The current ‘crisis’ was not all a result of recent activities, the groundwork was laid years ago with such legislation as Community Reinvestment Act in the late 70’s and government programs in the 90’s to help all Americans buy homes. 2008 turned out to be the Center of the Storm....17 financial institutions have failed so far this year, with \$18T of consumer wealth lost so far....on paper anyway, also 1,250,000 jobs lost.

What were some of the causes....very low interest rates, new securitized mortgage instruments that increased growth and market share at large financial institutions. Other new innovations included No Document Loans...didn’t have to verify your income, just tell them what it is....

Dave did have some good news, his reading and belief is our downturn may be shorter than that of foreign economies....we have great innovations in technology which help with productivity which should help with a rapid recovery.

Thanks Dave....Great program for us and out many guests!

VISITING ROTARIANS:

BRUNO:

Judi received this note from Bruno:

Hey! The test Sunday went well, the results come out this Wednesday, and I think I got high scores on this first part. It was a 7 hour long exam so it made me really exhausted. The second

part consists of 2 Math problems (hard ones), 2 history and 2 geography questions, and an essay about something related to business.

I'll let you know how I did on the second part as soon as I take it. It is great hearing about you again! Send a hello to everybody in the club from me.

I miss you and them a lot!

Kisses,
