CRUTCHES 4 AFRICA

We brought back 200 crutches, 150 canes and 20 walkers from Phoenix on this last trip. Whew, quite a load! They are now stored at our new storage facility out in Elizabeth, CO. I am planning to take a load out there on Sunday or Monday. The

trailer has 6 barrels with some crutches in those barrels and I need to move those out as well as some of the stacked pairs from the back yard. My goal is to get as much as possible out of the yard and out to Eliz. as possible, over the next couple of weeks. We will be going back to AZ on the 25th of this month and will be there through the eighth of Feb. Our south west area coordinator has arranged a number of speaking engagements for us while we are there. We will return to Denver for 4 days and then fly out to NYC where we will load the NYC collection of crutches into the plane that will be delivering them to Tanzania.

The loading date will be Feb 14. We will fly out the following day through London and on to either Nairobi, Kenya or Kampala, Uganda. Either destination will be a one or two day stop and then will fly on to Arusha, Tanzania. The plane with the crutches will arrive on the 18th of February and we will begin the distribution the next day. We will work at that for 4 or 5 days and then cross over into Kenya and go to the port city of Mombasa to document how containers are unloaded and processed prior to being trucked inland. We will then meet with Steve Baroch, from Castle Rock. He has just this week shipped 3 dozen pairs of crutches to Kenya and we will re-assemble those, and distribute them. After that we will travel north to Mbale, Uganda where we will distribute crutches we will carry with us as luggage. We will also follow up on some of the folks that received crutches 2 years ago in this area and interview them as to how the crutches have changed their daily lives. We anticipate be back in Denver on or about March 16th...

Where are you from?

Originally San Diego, California. My parents are retired in the north San Diego area.

Why are you in Rotary?

Jerry joined Rotary first and I used to attend as a guest. I thought Rotary would be a good community activity for both of us to participate in and meet other like-minded Evergreen area residents.

What do you do for fun?

Traveling with Jerry, and I've become much more interested in cooking - I just LOVE the Food Network!

What is important to you at this time in your life?

Staying involved with our grown, adult children. I would like to be able to travel to resort vacation destinations with all of them (note - separate rooms or a large vacation home rental) because those are the memories that you keep forever.

ED SEZ "Much has been given us, and much will rightfully be expected from us. We have duties to others and duties to ourselves; and we can shirk neither. We have become a great nation, forced by the fact of its greatness into relations with other nations of the earth, and we must behave as beseems a people with such responsibilities."
