THE PRESIDENT'S CORNER

The Fund Raiser for ECHO last Friday night at the Ice House exceeded all expectations! Christi from ECHO will be at our next meeting to give report. And, John Erlandson, will also be present so we can honor him for his work---and maybe he'll sing "poems, prayers and promises".

Prez. Jerry

DISTRICT GOVERNOR NEWS:

The District Conference this year is at the Antlers in Colorado Springs the Weekend of May 1, 2 & 3.

THE LATEST FROM ROTARY INTERNATIONAL:

This is a new part for our newsletter, some interesting facts, ideas and readings from "the rotarian" magazine we each receive monthly. Also, check it out online at www.rotary.org/rotarian.

This current issue has an in depth interview with Desmond Tutu, he will be a keynote speaker at the International Conference in Birmingham England this June.

The Rotarian: *The Cold War incited conflict in many places. How did the collapse of the Soviet Union affect South Africa?*

Tutu: *We imagined that when the Cold War ended, everything would be hunky-dory; it would be a wonderful world. It didn't turn out that way, because suddenly we were disoriented. The Cold War gave people their bearings. We were defining ourselves in relation to our opponents: I'm anticommunist, or I'm pro-whatever – who are you? Now that you have a unipolar world, who are you? This worked itself out awfully in the former Yugoslavia. People could not handle diversity. When we don't have landmarks, we retreat and can accept only what looks like us, speaks like us, thinks like us – you know, "those who are not like us are against us." And with fundamentalism of all sorts, you don't like convoluted, complicated answers. Reality is not straightforward, but people don't like you telling them that.*

PROGRAM SCHEDULE:

March 25th our own Bob Zavodsky will speak on fund raising and the state of charitable gifting in Colorado. Its glories and tribulationsyou can complete this one

April 1st- Nancy Deguire representing the Daughters of the American Revolution

That's right; we had Thomas Jefferson so it seems right to give the ladies a night to talk about the many historical roles they have played in the life of our nation

April 8th Brian Phillips (Grandson of Frank Phillips of ConocoPhillips) He is not in the energy business, however and will speak about Young Life, an International Christian Outreach organization for teenagers. He is a man with a mission, and an excellent speaker who will inspire and entertain us.

Jim Rohrer is our Program Chair, asks that all members please advise him of any potential speakers for our group. Please contact Jim at 303-679-0143, jimrohrer@evcowireless.com

PROGRAM

Bill Eck, True North Connections
A Thoughtful Approach to Supporting Rotary

Bill has been a fundraiser for many years, worked with the Boy Scouts for years, now has his own consulting firm working with families to help in passing along their values and legacies.

He spoke to us about connecting to a higher purpose, helping us Connect With Rotary. It was a unique approach, with a series of questions we asked each other around our tables. I was fortunate to be with our President Jerry, a new member Bud Hermanson and Dave and Candice Talbot.....an example of the questions and thoughtful responses.....

*Something I learned in Rotary that I want to pass on is..... "Service Above Self"

*My part in our Rotary quest for peace and world understanding is..... "Spreading love and caring"

*What I something I hope to accomplish in Rotary?
..... "Get to meet, know and understand people"

*Describe the influence another Rotarian has had on my life.
..... "Whoever put a big sign....of the 4-Way Test at the headwaters of the Nile river.

*Rotary Inspires me to....."Live the 4-Way Test....is is easy to commit to the principals"

Finally bill asked.....What does Rotary do foe me?.....provides "fulfillment"....."Opens doors to the world"

Bill asked we keep the RI Foundation in our thoughts and plans.
