Corey is an Associate Professor at University of Denver as well as a lawyer, writer and speaker. He spoke to us this evening about Ethics, Character, and are we Happy With Who We Are.....

What are some the important traits in life...Relationships, chase after them, be a friend; Character, ....is how we act when nobody is looking; Virtuous, honesty, humility, integrity....every virtue rolled into one.

We should do three things every day....1.) Think every day 2.) Be a better listener 3.) Laugh every day.
