### **Rotary & The United Nations**

Rotary and the United Nations have a long history of working together and sharing similar visions for a more peaceful world. In 1942, Rotary clubs from 21 nations organized a conference in London to develop a vision for advancing education, science, and culture after World War II. That event was a precursor to UNESCO. In 1945, 49 Rotarians went to San Francisco

to help draft the UN Charter. Rotary and the UN have been close partners ever since, a relationship that's apparent through PolioPlus and work with UN agencies.

**PROGRAM**

Kit Darrow &  
Evergreen Recreation & Parks Foundation

The Foundation for Recreation and parks was founded in 1989 to support Evergreen Parks & Rec. Our own Mac is on the Board as well as a former member Tom Hushen.

45% of the Parks & Rec. budget is from our property taxes and the other 55% from fees, grants and gifts to the Foundation that go to them. Typically the gifts to the Foundation go to add amenities to programs or physical plant such as markers on the new Buchanan Park Trail.

There was a great deal of discussion around the Special Needs programs and our support and how the districts budget affects the program and the need for partnerships to help fund them.
