This is a new part for our newsletter, some interesting facts, ideas and readings from "the rotarian" magazine we each receive monthly. Also, check it out online at www.rotary.org/rotarian.

Rotary & The United Nations

Rotary and the United Nations have a long history of working together and sharing similar visions for a more peaceful world. In 1942, Rotary clubs from 21 nations organized a conference in London to develop a vision for advancing education, science, and culture after World War II. That event was a precursor to UNESCO. In 1945, 49 Rotarians went to San Francisco to help draft the UN Charter. Rotary and the UN have been close partners ever since, a relationship that's apparent through PolioPlus and work with UN agencies.

These photos came back from Joseph, the Maasai chief that stayed with us this summer in July. He carried a bag of crutches and a wheelchair back with him and these are photos that were taken during part of his distribution.

Also, on a different note...

As I have a flexible schedule, if any of you desire to come out to Parker to our storage barn and assist with making md's ready for our upcoming shipment, please call me at 303-877-2803 to arrange a time and date.
